

Dear Prospective Incoming Students,

Welcome to the website of the **Erasmus Student Service Center** which is run by the student-advisors of the **Faculty of Humanities and Social Sciences (FFOS)**. Student Advisors are senior students, i.e. peer mentors from each of the Departments of FFOS, who are here to give you **FFOS-specific guidance** as/before you get settled in your new environment. We will help you to familiarize yourself with the services and issues that will become part of your everyday life (finding your way around our Faculty building, the Office for Student Affairs, libraries, student's dormitories, canteen etc.). We will also help you navigate through the administrative work during your first days at FFOS (registering for a Moodle account, applying for a student ID card, the so-called "X-card", helping you with your course schedule, etc.).

Upon your arrival, we will set up a meeting for you with the Department ECTS Coordinator. This meeting will be the perfect opportunity for you to ask any remaining questions and for the ECTS Coordinator to acquaint you with our academic policies and requirements.

Please, do not hesitate to contact us if you are considering studying at our University. We will gladly answer all of your questions.
