

CALL FOR PAPERS

Libellarium: journal for research in the field of information and related sciences

ISSN 1846-9213 (Online)

We invite authors to submit their papers (scientific, preliminary communications, professional, conference papers) for publication in the scientific-professional journal *Libellarium: journal for research in the field of information and related sciences*. The Journal, published jointly by the Department of Information Sciences of the University of Zadar and the Department of Information Sciences of the Faculty of Humanities and Social Sciences in Osijek, covers a wide range of different topics in the field of information and related sciences – ranging from information science theory and methodology, the history of books, printing, publishing and book trade, the preservation, presentation and protection of written and digital cultural heritage, heritage institutions and their activities, the sociology of books and reading, information literacy and information behaviour, visual communications, knowledge organization, e-learning, bibliometrics, scientometrics and informetrics to digital humanities, contemporary trends in publishing and book trade, technological change and the relationship between humanity and technology, etc.

The Editorial Board accepts papers in English and Croatian. Manuscripts are submitted through the electronic system for submission of papers at: <https://morepress.unizd.hr/journals/index.php/libellarium/about/submissions>. As regards the formatting of the papers, it is necessary to follow the submission guidelines (available at: <https://morepress.unizd.hr/journals/index.php/libellarium/about/submissions>) in order to facilitate the preparation of the journal and its timely publication. All submitted papers undergo a double-blind peer review process.

For any additional information, please contact: libellarium@unizd.hr or: jlakus@ffos.hr and dcupar@unizd.hr.

We are looking forward to receiving your submissions!
