Technical instructions for the preparation and submission of the poster

- The poster should be written in Hungarian or English.
- The poster should contain the title, abstract and key words, introduction, methodology, results, discussion and references.
- The poster should have the following dimensions: 1000 mm in height x 707 mm in width (size B1), vertically positioned.
- The poster must be sent in a PDF format.
- Font: Times New Roman.
- Header: logo and the conference title.
- Below the header: paper's title.
- Authors' names and institution affiliation, as well as other contact info should be placed below the title.
- Font size must be big enough as to be seen and read from 1m distance. Colors and the position of the text are to be taken into consideration while designing the poster. Use simplified graphic displays and photos, which should be sharp and clear, numbered and described.
- The posters will be exhibited in the conference hall throughout the entire conference. The conference program will have a designated time for the author to present the poster and to answer possible attendees' questions.
- The document should be addressed as follows – LEHOCKI_Poster.pdf (Last name of the author + the word "Poster").

The poster should be sent to the conference e-mail address: manye.eszek@gmail.com

Submission deadline: March 3, 2025

We kindly ask the authors to respect the given instructions and guidelines for creating a poster. Posters that are not created in accordance with the guidelines given and submitted by the deadline, will not be accepted for presentation.
