

International  
Youth Meeting  
Dachau

Dear Sir or Madam, dear colleagues and friends of International Youthwork,

our application process for the International Youth Meeting Dachau 2026 has started, and again we invite young people from all over the world to join us this summer.

IYM Dachau is open for all aged from 16 to 26, who are interested in learning from one another and who are curious about the history of National Socialism, the former concentration camp Dachau and culture of remembrance. The focus topic will be 'Solidarity & Activism'. Besides workshops, guided tours and discussions, there are plenty of opportunities to play games or sports, party together and make new friends.
